In 1968, Jackson J. Benson, then a naive young literature professor, set out to write a critical appraisal of John Steinbeck, a writer who Benson felt was greatly undervalued by the scholarly establishment. Looking for Steinbeck's Ghost is Benson's engaging account of his experiences over the fifteen years he devoted to writing that biography.

Jackson J. Benson was professor of English and comparative literature at San Diego State University until his retirement in 1997. He is the author of twelve books on modern American literature and currently divides his time between La Mesa, California, and a cabin in the northern Sierra Nevada.
