Now in paperback. Max Winters, a pulp writer in 1930s New York, finds himself drawn into a story not unlike the tales he churns out at five cents a word, tales of a Wild West outlaw dispensing justice with a six-gun. But will Max be able to do the same when pursued by bank robbers, Nazi spies, and enemies from his past? One part thriller, one part meditation on a life of violence, PULP is unlike anything award-winning BRUBAKER & PHILLIPS have ever done before. □

Life and Deeds of the Famous Gentleman Don Catrín de la Fachenda
Fernández de Lizardi, José Joaquín and Ochoa, John
Modern Language Association .
9781603295376
pages
paperback
\$17
Pub Date: 3/1/2021

Author picture:

A picaresque novel by the Mexican author of *El Periquillo Sarniento* (The Itching Parrot). The main character is a rake, *catrín* (a dandy or fop), and *criollo*. The novel interrogates race and caste and political and social conditions in Latin America around 1810.

José Joaquín Fernández de Lizardi (November 15, 1776 – June 21, 1827), Mexican writer and political journalist, best known as the author of *El Periquillo Sarniento* (1816), translated as *The Mangy Parrot* in English, reputed to be the first novel written in Latin America.

220 pages
paperback
\$22.5
Pub Date: 1/15/2021

logo:

Author picture:

Written by a Brit who has lived in Poland for more than twenty years, this book challenges some accepted thinking in the West about Poland and about the rise of Law and Justice (PiS) as the ruling party in 2015. It is a remarkable account of the Polish post-1989 transition and contemporary politics, combining personal views and experience with careful fact and material collections. The result is a vivid description of the events and scrupulous explanations of the political processes, and all this with an interesting twist – a perspective of a foreigner and insider at the same time.

Appealing Because He Is Appalling: Black Masculinities, Colonialism, and Erotic Racism

Kitossa, Tamari (editor)

University of Alberta Press .

9781772125436

384 pages

paperback

\$39.99

Pub Date: 5/15/2021

Foreword by Tommy J. Curry.

This collection invites us to think about how African-descended men are seen as both appealing and appalling, and exposed to eroticized hatred and violence and how some resist, accommodate, and capitalize on their eroticization. Drawing on James Baldwin and Frantz Fanon, the contributors examine the contradictions, paradoxes, and politico-psychosexual implications of Black men as objects of sexual desire, fear, and loathing.

Vaccines Did Not Cause Rachel's Autism: My Journey as a Vaccine Scientist, Pediatrician, and Autism Dad

Hotez, Peter J.

Johns Hopkins University Press .

9781421439808

240 pages

paperback

\$16.95

Pub Date: 11/17/2020

Foreword by Arthur L. Caplan.

logo:

In 1994, Peter J. Hotez's nineteen-month-old daughter, Rachel, was diagnosed with autism. Dr. Hotez, a pediatrician-scientist who develops vaccines for neglected tropical diseases affecting the world's poorest people, became troubled by the decades-long rise of the influential anti-vaccine community and its inescapable narrative around childhood vaccines and autism. In *Vaccines Did Not Cause Rachel's Autism*, Hotez draws on his experiences as a pediatrician, vaccine scientist, and father of an autistic child.

Behind the Mirror: The Story of a Pioneer in Autism Treatment and Her Work with Children on the Spectrum

Simons, Jeanne and Oishi, Sabine

Johns Hopkins University Press .

9781421440767

240 pages

paperback

\$34.95

Pub Date: 4/20/2021

Foreword by James C. Harris.

Jeanne Simons devoted her career as a social worker to the study, treatment, and care of children with autism. In 1955, she established the Linwood Children's Center in Ellicott City, Maryland, one of the first schools especially for pupils with autism anywhere in the world. Her Linwood Model, developed there, was widely adopted and still forms the basis for a variety of autism intervention techniques. Incredibly—although unknown at the time—Jeanne was herself autistic. Behind the Mirror reveals the remarkable tale of this trailblazer and how she thought, felt, and experienced the world around her.

44 pages
paperback picture book
\$9.95
Pub Date: 1/26/2021

logo:

Author picture:

When Mr. Beagle moves to Rabbittown, his new neighbors aren't sure what to make of him. Everyone else is a rabbit, after all. But then mittens start to go missing, and no one knows where they might be. Who better than Mr. Beagle to sniff out the culprit! With quirky, charming illustrations and sweet, simple text, Mr. Beagle Goes to Rabbittown celebrates how one finds a space in a new place, and the warm embrace of community.

A printmaker and picture book maker, Lori Doody lives in St. John's, Newfoundland. Her charming picture books combine bright, simple illustrations with witty, spare stories. They have been warmly received and widely praised; some have been included in the Canadian Children's Book Centre's Best Books for Kids & Teens, and one named an Ontario Library Association "Top Ten Best Bet". They include Capelin Weather; The Puffin Problem; Mallard, Mallard, Moose; and Paint the Town Pink.

The Wall and the Wind
Tomova, Veselina
Orca Book Publishers . Running the Goat
9781927917329
38 pages
paperback picture book
\$10.95
Pub Date: 1/26/2021

Author picture:

In the middle of the twentieth century in Eastern Europe, a young girl dreams of adventures near and far. One day, a huge wall appears that separates East from West, and dreamer from dreams. No ladder is high enough, no tunnel deep enough to get past that wall. But then a crack appears in the wall, and the girl (now a woman) knows she has the chance to follow her dreams again.

Born in Sofia, Bulgaria, Veselina Tomova graduated from Leipzig's School of Graphic Art and Book Design before moving to Newfoundland. A graphic designer and award-winning artist, she has illustrated books in Germany, Bulgaria and Canada. She divides her time between St. John's, Newfoundland and Rusalya, Bulgaria.

Very Short Introductions

Author picture:

Here, Simon Blackburn tackles the major moral questions surrounding birth, death, happiness, desire, and freedom, showing us how we should think about the meaning of life, and why we should mistrust the soundbite-sized absolutes that often dominate moral debates. This second edition of the Very Short Introduction on Ethics has revised and updated aspects of the original to reflect changing times and mores.

On the Fringe: Where Science Meets Pseudoscience
Gordin, Michael D.
Oxford University Press .
9780197555767
128 pages
hardcover
\$18.95
Pub Date: 4/1/2021

Author picture:

Everyone has heard of the term "pseudoscience", typically used to describe something that looks like science, but is somehow false, misleading, or unproven. Many would be able to agree on a list of things that fall under its umbrella--astrology, phrenology, UFOlogy, creationism, and eugenics might come to mind. But defining what makes these fields "pseudo" is a far more complex issue. It has proved impossible to come up with a simple criterion that enables us to differentiate pseudoscience from genuine science. Given the virulence of contemporary disputes over the denial of climate change and anti-vaccination movements--both of which display allegations of "pseudoscience" on all sides-- there is a clear need to better understand issues of scientific demarcation.

Author picture:

Mahjong: A Chinese Game and the Making of Modern American Culture illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of popularity over the twentieth century. Annelise Heinz narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women's culture.

In this tour of radical change across Western history, David Potter will show how ideologies that develop in opposition or reaction to those supporting the status quo are employed to effect profound changes in political structures that will in turn alter the way that social relations are constructed.

David Potter writes and teaches about the history of ancient Greece and Rome and the enduring relevance of the history of these periods for the modern world. He has appeared on radio programs for NPR and on television with various outlets and enjoys the opportunity to talk about history with pretty much anyone he meets. A graduate of Harvard College and Oxford University, he has taught at the University of Michigan for more than thirty years.

What Britain Did to Nigeria: A Short History of Conquest and Rule

Siollun, Max

Oxford University Press . Hurst

9781787383845

288 pages

hardcover

\$29.95

Pub Date: 3/1/2021

Author picture:

Max Siollun offers a bold rethink: a clear-eyed, unromanticized history of colonial Nigeria. He argues compellingly that colonialism was not a system with benevolent intentions. It may have ended practices such as slavery and human sacrifice, but those who resisted were violently repressed; Britain's disruption and forceful remolding of longstanding customs permanently altered the belief systems, culture and internal politics of indigenous Nigerian communities.

Neoliberalism: A Very Short Introduction - 2nd edition

Steger, Manfred B. and Roy, Ravi K.

Oxford University Press .

9780198849674

168 pages

paperback

\$11.95

Pub Date: 4/1/2021

Very Short Introductions. 8 black and white halftones, 9 figures, and 3 maps

Author picture:

This Very Short introduction explores the considerable variations of neoliberalism around the world, and discusses the origins, evolution, and core ideas of neoliberalism. This new edition brings the story of neoliberalism up to date, and asks whether new versions of neoliberalism might succeed in drowning out the rising tide of national populism and its nostalgic longing for a return to territorial sovereignty and national greatness.

Habeas Corpus: A Very Short Introduction

Tyler, Amanda L.

Oxford University Press .

9780190918989

160 pages

paperback

\$11.95

Pub Date: 1/2/2021

Very Short Introductions. 10 Black and White Illustrations

Author picture:

This Very Short Introduction chronicles the storied writ of habeas corpus and how its common law and statutory origins spread from England throughout the British Empire and beyond, witnessing its use today around the world in nations as varied as Canada, Israel, India, and South Korea. Beginning with the English origins of the writ, the book traces its historical development both as a part of the common law and as a parliamentary creation born out of the English Habeas Corpus Act of 1679, a statute that so dramatically limited the executive's power to detain that Blackstone called it no less than a "second Magna Carta."

Wert, Michael

Oxford University Press .

9780190685072

128 pages

paperback

\$11.95

Pub Date: 4/1/2021

Very Short Introductions

Author picture:

The idea of the sword-wielding samurai, beholden to a strict ethical code and trained in deadly martial arts, dominates popular conceptions of the samurai. As early as the late seventeenth century, they were heavily featured in literature, art, theater, and even comedy, from the Tale of the Heike to the kabuki retellings of the 47 Ronin. This legacy remains with us today in the legendary Akira Kurosawa films, the shoguns of HBO's Westworld, and countless renditions of samurai history in anime, manga, and video games. Acknowledging these common depictions, this book gives readers access to the real samurai as they lived, fought, and served.

Rome: An Empire's Story - 2nd edition
Woolf, Greg
Oxford University Press .
9780190687458
448 pages
paperback
\$18.95
Pub Date: 8/3/2021

Author picture:

The very idea of empire was created in ancient Rome and even today traces of its monuments, literature, and institutions can be found across Europe, the Near East, and North Africa--and sometimes even further afield. In Rome, historian Greg Woolf expertly recounts how this mammoth empire was created, how it was sustained in crisis, and how it shaped the world of its rulers and subjects--a story spanning a millennium and a half of history.

Translated by Natascha Hoffmeyer. 118 b&w illus. 6.5 x 9.25. Graphic Mundi.

The last thing Pedro remembers is diving into the lake on his day off from work. Now he lies in a hospital bed with a wheelchair at his side. Casting a shadow from the doorway, his caretaker remarks on “how quickly one gets used to this kind of thing,” as she goes on to empty his catheter bag and to help him into his wheelchair. Pedro must now deal with a growing mix of fear and powerlessness that surges within him as he realizes that he will be paralyzed forever; it bursts forth like a twister, “over and over again,” until he resigns himself to it.

132 pages

hardcover

\$19.95

Pub Date: 4/1/2021

Illustrated by Damien Roudeau. Translated by Hannah Chute. 8.5 x 10.75. 126 color illustrations. Graphic Mundi.

In *Crude*, Ecuadorian lawyer and activist Pablo Fajardo gives a firsthand account of Texaco's involvement in the Amazon as well as the ensuing legal battles between the oil company, the Ecuadorian government, and the region's inhabitants. As a teenager, Fajardo worked in the Amazonian oil fields, where he witnessed the consequences of Texaco/Chevron's indifference to the environment and to the inhabitants of the Amazon. Fajardo mobilized with his peers to seek reparations and in time became the lead counsel for UDAPT (Union of People Affected by Texaco), a group of more than thirty thousand small farmers and indigenous people from the northern Ecuadorian Amazon who continue to fight for reparations and remediation to this day.

9781439911976
248 pages
paperback
\$34.95
Pub Date: 6/11/2021
6 x 9, notes, index. Sporting

Author picture:

Samir Chopra is an immigrant, a “voluntary exile,” who discovers he can tell the story of his life through cricket, a game that has long been an influence—really, an obsession—for him. In so doing, he reveals how his changing views on the sport mirror his journey of self-discovery. In *The Evolution of a Cricket Fan*, Chopra is thus able to reflect on his changing perceptions of self, and of the nations and cultures that have shaped his identity, politics, displacement, and fandom.

Minding Dogs: Humans, Canine Companions, and a New Philosophy of Cognitive Science

Merritt, Michele

University of Georgia Press .

9780820359557

200 pages

paperback

\$27.95

Pub Date: 4/1/2021

ANIMAL VOICES / ANIMAL WORLDS. 6 x 9. 1 b&w image.

With Minding Dogs Michele Merritt attempts to fill two significant gaps in the philosophy of animal cognition. First, she adds to the growing discussion on canine cognition, which has been overlooked until recently and requires more consideration. Second, she takes seriously our dynamic collaborations with our canine friends as crucial to understanding both their minds and our own.

Author picture:

With a bang—or rather, a barrage—Jacob Neptune finds his remote cabin in the Adirondacks besieged by a gun-toting gang of murderous bikers. With the help of his supersized sidekick Dennis, the hard-headed, wise-cracking Abenaki private detective traces the source of his troubles to a former adversary who is now running an Indian casino.

Singing the Songs of My Ancestors: The Life and Music of Helma Swan, Makah Elder

Goodman, Linda J. and Swan, Helen

University of Oklahoma Press .

9780806168685

392 pages

paperback

\$29.95

Pub Date: 1/12/2021

Drawing on more than twenty years of research and oral history interviews, Linda J. Goodman in *Singing the Songs of My Ancestors* presents a somewhat different point of view—that of the anthropologist/ethnomusicologist interested in Makah culture and history as well as the changing musical and ceremonial roles of Makah men and women. Her information provides a context for Helma Swan's stories and songs. Taken together, the two perspectives allow the reader to embark on a vivid and absorbing journey through Makah life, music, and ceremony spanning most of the twentieth century. Studies of American Indian women musicians are rare; this is the first to focus on a Northwest Coast woman who is an outstanding singer and storyteller as well as a conservator of her tribe's cultural traditions.

Rosebud, June 17, 1876: Prelude to the Little Big Horn
Hedren, Paul L.
University of Oklahoma Press .
9780806166162
494 pages
paperback
\$29.95
Pub Date: 1/12/2021

Author picture:

The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West. The monumental clash on June 17, 1876, along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse. It set the stage for the battle that occurred eight days later when, just twenty-five miles away, George Armstrong Custer blundered into the very same village that had outmatched Crook. Historian Paul L. Hedren presents the definitive account of this critical battle, from its antecedents in the Sioux campaign to its historic consequences.

The 1921 Tulsa Race Massacre: A Photographic History
Hill, Karlos K. and Matthews, Kevin
University of Oklahoma Press .
9780806168562
290 pages
hardcover with dustjacket
\$34.95
Pub Date: 3/18/2021

Author picture:

Historian and Black Studies professor Karlos K. Hill presents a range of photographs taken before, during, and after the massacre, mostly by white photographers. Some of the images are published here for the first time. Comparing these photographs to those taken elsewhere in the United States of lynchings, the author makes a powerful case for terming the 1921 outbreak not a riot but a massacre. White civilians, in many cases assisted or condoned by local and state law enforcement, perpetuated a systematic and coordinated attack on Black Tulsans and their property.

The First Code Talkers: Native American Communicators in World War I
Meadows, William C.
University of Oklahoma Press .
9780806168418
378 pages
hardcover
\$36.95
Pub Date: 1/7/2021

Author picture:

Many Americans know something about the Navajo code talkers in World War II—but little else about the military service of Native Americans, who have served in our armed forces since the American Revolution, and still serve in larger numbers than any other ethnic group. But, as we learn in this splendid work of historical restitution, code talking originated in World War I among Native soldiers whose extraordinary service resulted, at long last, in U.S. citizenship for all Native Americans. The first full account of these forgotten soldiers in our nation's military history, *The First Code Talkers* covers all known Native American code talkers of World War I—members of the Choctaw, Oklahoma Cherokee, Comanche, Osage, and Sioux nations, as well as the Eastern Band of Cherokee and Ho-Chunk, whose veterans have yet to receive congressional recognition.

272 pages
paperback
\$21.95
Pub Date: 3/23/2021

Author picture:

Who was Nede Wade Christie? Was he a violent criminal guilty of murdering a federal officer? Or a Cherokee statesman who suffered a martyr's death for a crime he did not commit? For more than a century, journalists, pulp fiction authors, and even serious historians have produced largely fictitious accounts of "Ned" Christie's life. Now, in a tour de force of investigative scholarship, Devon A. Mihesuah offers a far more accurate depiction of Christie and the times in which he lived.

Cacicas: The Indigenous Women Leaders of Spanish America, 1492–1825
Ochoa, Margarita R. and Guengerich, Sara V.
University of Oklahoma Press .
9780806168623
344 pages
hardcover
\$45
Pub Date: 3/11/2021

Author picture:

The term cacica was a Spanish linguistic invention, a female counterpart to caciques, the Arawak word for male indigenous leaders in Spanish America. Cacicas feature far and wide in the history of Spanish America, as female governors and tribute collectors and as relatives of ruling caciques—or their destitute widows. They played a crucial role in the establishment and success of Spanish rule, but were also instrumental in colonial natives' resistance and self-definition.

Chief Thunderwater: An Unexpected Indian in Unexpected Places
Reid, Gerald F.
University of Oklahoma Press .
9780806167312
200 pages
hardcover
\$34.95
Pub Date: 1/7/2021

Author picture:

On June 11, 1950, the Cleveland Plain Dealer published an obituary under the bold headline “Chief Thunderwater, Famous in Cleveland 50 Years, Dies.” And there, it seems, the consensus on Thunderwater ends. Was he, as many say, a con artist and an imposter posing as an Indian who lead a political movement that was a cruel hoax? Or was he a Native activist who worked tirelessly and successfully to promote Haudenosaunee, or Iroquois, sovereignty in Canada? The truth about this enigmatic figure, so long obscured by vying historical narratives, emerges clearly in Gerald F. Reid’s biography, Chief Thunderwater—the first full portrait of a central character in twentieth-century Iroquois history.

The Coalition Crumbles, Napoleon Returns: The 1799 Campaign in Italy and Switzerland, Volume 2

von Clausewitz, Carl

University Press of Kansas .

9780700630349

344 pages

paperback

\$29.95

Pub Date: 2/19/2021

Translated by Nicholas Murray. Edited by Christopher Pringle.

Carl von Clausewitz (1780-1831) is best known for his masterpiece of military theory *On War*, yet that work formed only the first three of his ten-volume published writings. The others, historical analyses of the wars that roiled Europe from 1789 through 1815, informed and shaped Clausewitz's military thought, so they offer invaluable insight into his dialectical, often difficult theoretical masterwork. Among these historical works, one of the most important is *Der Feldzug von 1799 in Italien und der Schweiz*, which covers an important phase of the French Revolutionary Wars.
